## TONE

This new year STEIM is going to start with the development of a new platform for Sound Art, TONE. We will kick off the season with a presentation of artworks and performances blurring the lines between instruments and installations

*DETAILS:*

*DATE: 23rd of January, 2016*

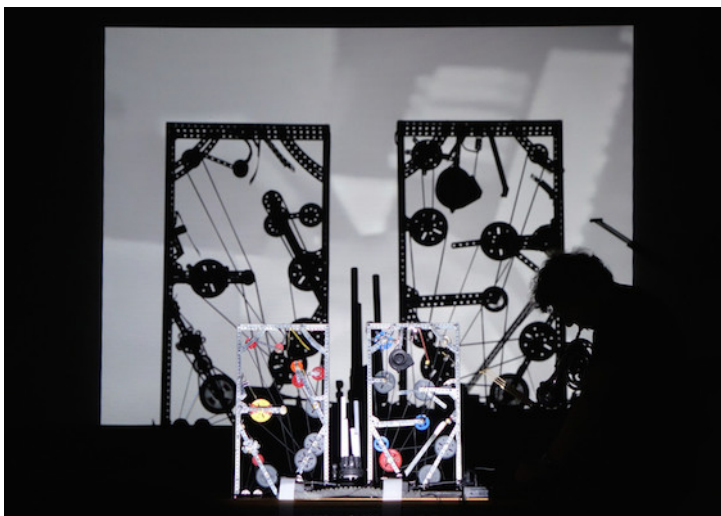

*TIME: 20:30 (Doors open at 20:00)*

*FEE: 10*

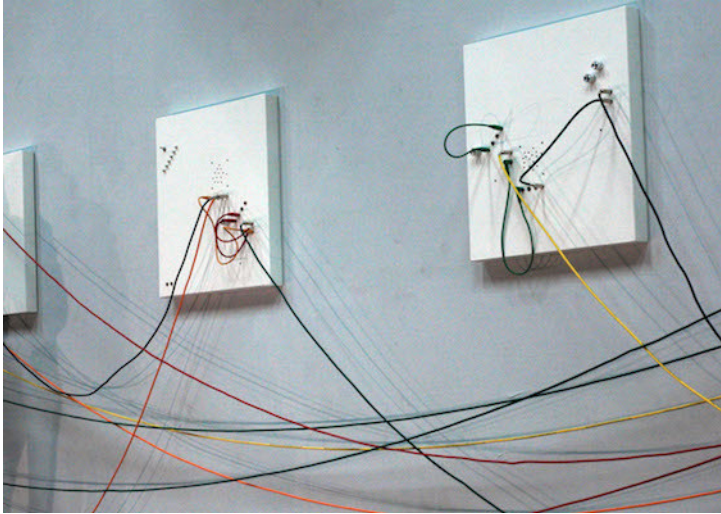

*LOCATION: STEIM, Achtergracht 19,  
1017WL, Amsterdam*

## LINE-UP

Pierre Bastien

## Tom Verbruggen

## Gabey Tjon a Tham

STEIM is working on a new platform for Soundart: **TONE**. But ofcourse a platform is nothing without exciting new artworks to develop and present. We invite you to tell us about the projects you are developping and try to give you some pointers how to turn a good idea into a funded artwork. We have invited **Adriaan Wormgoor** to have a look at your project plans from the perspective of a member of the advisory committee.
